LIFE PHILOSOPHY

"We choose to go to the Moon in this decade and do the other things, not because they are easy, but because they are hard"

John F. Kennedy - June 12th 1962

ACHIEVEMENTS

Cost Killing
Major investment and maintenance costs reduction by the implementation of a dual sourcing strategy in Campus and Datacenter Networks

Industry 4.0 & IoT   (Video pitch ▶)
Design and implementation of the Network and Security foundations of the Future's Plant by STELLANTIS (Mobility, WiFi, LTE, access control, industrial networks convergence,...)

Digital Transformation
Design and implementation of the specific Network and Security solutions enabling the Digital Transformation of IT (Software Defined Network, OPENSTACK,...)

Technical Expertise
"LAN Architecture & IP Services Specialist" since 2012 among the STELLANTIS expertise stream

STRENGTHS

Leadership & Management   TOEIC 885

Sense of Relationship   Telecom

Security   Mobility   Services

EDUCATION

Computer Science Engineer's Degree

Université de Technologie de Compiègne

📅 September 2002
